

Columbia University

ICU International Christian University,

CATHOLIC RELIEF SERVICES

GOALS:

The Mindanao Community-based Institute on Peace Education aims to:

- explore avenues for institutionalizing peace education, interfaith dialogue and the peace process (formal & nonformal & informal education);
- expose peace educators and researchers, policy makers and practitioners to the various interfaith dialogue and peace education practices;
- generate agenda for collaborative researches on peace education; and
- open avenues for networking globally and locally.
